

This Warranty has been designed to provide you with additional protection against any defects or failure of your Vehicle. You may also have cover for the same defects or failures under the Vehicle's Manufacturer's Warranty or the dealer statutory warranty (or a combination) where these warranties remain in force. You also have rights under the Australian Consumer Law. Your Vehicle also comes with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. These rights are in addition to those ordered under this Warranty.

The Warranty is complimentary for the first 3 months after the day your Vehicle has been delivered. If you have elected to continue the extended warranty after this initial free period, the additional period of cover under your extended warranty will commence on the date noted in your Schedule and continue until the date noted in your Schedule. Note that the commencement date of the paid warranty may not be the same date the free warranty expires.

It is important that you maintain your vehicle in accordance with the servicing guidelines that are outlined in this document. This not only ensures you meet the requirements of this Warranty, but also that your vehicle remains in top driving condition.
